Report all acres of fall-seeded crops. Fall Crops must be seeded by September 15 to be eligible for winterkill coverage. The answers to the winter wheat risk assessment questions will determine whether the high or low risk premium rate is charged. Use Crop Codes: **Fall Rye - 7 (pedigreed - 407, organic - 707), Winter Wheat - 23 (pedigreed 423, organic - 723)**
Please submit this Fall Seeded Acreage Report (SAR) after crop is seeded in the fall. The deadline to submit the Fall SAR is November 15. Crop year is the year the crop is harvested and premium is charged, NOT the year the crop is seeded.
