| Sweetclover | 60 | Base | Yield-loss coverage in harvest year. | | | | |

- Complete Contract Number, Home RM and Date.
 - Complete Contact Information, Home Quarter and Power of Attorney (if applicable)
 - From the drop-down list, SELECT your Crop Insurance office.
 - Forage crops and options that are eligible for Crop Insurance.
 - Crops indicate the coverage options that are available, including 50, 60, 70 and 80 per cent. For certain options, select Add Crop to add to you contract.
 - The price options that are available include Base, Low, In-Season and Variable.
 - Crop Information: Lists special conditions that apply to specific crops. Refer to the Forage section of *Your Complete Guide to Understanding Crop Insurance* or contact your customer service office.
 - TO ADD greenfeed crops, select the desired coverage and price option. Then select the greenfeed crop(s) you want to insure by selecting Add Crop in the corresponding Coverage Option column.
- Note: Greenfeed crops are selected separately and are all insured at the same coverage level and price option. There is a tonnage guarantee for each crop. But for claim purposes, production from all insured greenfeed crops is totaled and offset.
- TO SELECT establishment or insurance on other crops, choose from the available options in the Coverage Option and Price Option, if applicable, columns.

Please note: Electronically-completed forms cannot be saved. Please print two copies of the completed form and save one for your records. Please mail, fax or drop-off this form to your local Crop Insurance office.
